

AMBER LED TECHNOLOGY

AM8 | AM9 | AMT

When a project calls for amber LEDs, L.A. Lighting has you covered. Whether for cleanrooms, pharmaceutical facilities, semi-conductor manufacturing, or other specialized applications, we have the tools and experience to provide the solution.

- Specified wavelengths and True Amber available
- Wireless controls compatible
- Dual color switching
- Made in America

	BOARD TYPE	WAVELENGTH (RANGE)	WAVELENGTH (DOMINANT)	LED CHIP TECHNOLOGY
	AM8	575 nm ~ 590 nm	580 nm	PC Yellow
	AM9	586 nm ~ 593 nm	590 nm	PC Amber
	AMT	585 nm ~ 595 nm	590 nm	True/Native Amber
