

# FIC120 Reflector/Center Basket Installation Instructions

## PARTS LIST

Fixture Housing, 1x  
Side Reflector, 2x  
Center Basket, 1x

Center Basket Clip, 4x  
Machine Nut, 4x  
Sheet Metal Screw, 4x

**Step 1** Disconnect power to circuit. Install Fixture Housing within ceiling opening. Release quarter-turn fasteners and remove wireway cover. Wire fixture in accordance with National Electrical Code (NEC) and any applicable local code requirements.

**Step 2** Position Side Reflectors so the two half-round notches on each reflector align with the threaded studs on housing. Use provided Machine Nuts to secure the reflectors on the housing.
